# Structo fires up for the 70's...

Compact Design allows easy storage and transportation of grill.

Adjustable Center Post makes two-in-one grill for ground or table-top use.

▲ **Model 3090. NEW! 18" Hi-Rise™ Picnic Grill** (Tangerine Red). Adjustable center post attaches to tripod base. Overall height adjustable from 18" to 26". Firebowl moves up and down for heat adjustment. All base parts fit into bowl and grid snaps over as cover for compact portability. Rustproof, chrome-plated grid with handles. 2 plated handles on bowl. 6" x 12" in-store sign attaches to grid and demonstrates product features. Wt. 8.5 lbs.

▲ **Model 3053 NEW! 18" Picnic Grill** (Commodore Blue). New hinged, flip-over folding legs. Positive grid adjustment with cool, hardwood handle. Snap-on, tapered windscreen. Plated carrying handle. Rustproof, chrome-plated grid. Wt. 9.2 lbs.

▲ **Model 3051 NEW! 18" Picnic Grill** (Commodore Blue). New hinged, flip-over folding legs. Positive grid adjustment with cool, hardwood handle. Rustproof, chrome-plated grid. Wt. 7.7 lbs.

# with Picnic Grills that are convenient to carry and fun to use

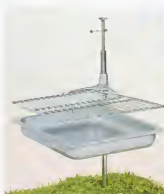

Picnic grills are sales-builders because they have wide appeal . . . even to those who already own a big grill. And no one but Structo can give you such a big selection of picnic grills. The variety of models ignites sales, and these features help, too:

- Large cooking area
- Top-quality construction
- Top-quality materials
- Convenient portability

◀ **Model 6305 16" x 21" Weekender**  
(Bittersweet Orange). Tubular aluminum easy-folding legs. Folds like a suitcase. Hinged top windbreak has plated brace. Grid adjusts to 3 positions. Wt. 14.3 lbs.

▲ **Model 3055 18" Picnic Grill**  
(Light-Olive Green). 2-position, rustproof, chrome-plated grid with handles. Heavy-gauge steel firebowl, beaded rim. Removable snap-on steel legs. Handles snap over bowl to hold legs. 6 to master ctn. Wt. 36.1 lbs.

New Hinged Legs fold easily for storage, and provide exceptional stability when in use.

**Model 2300 15" x 12" All-Purpose Grill**  
(Grey). Works equally well at the beach, beside the patio, or in the fireplace. Firepan and grid rotate around post for convenience in fireplace use. Cast aluminum collars adjust height of rustproof, chrome-plated grid and heavy-gauge steel firepan. Can be used with or without firepan. Fits any fireplace up to 30" high. Ground stake included for outdoor use. Self-selling carton. Wt. 7.8 lbs.

▲ **Model 3050 Picnic Grill**  
(Bittersweet Orange). 18 1/2" x 10 1/2" cooking area. Legs and grid fold and nest in heavy-gauge steel firebox. Individual sleeve package makes grill portable, self-selling. 6 to master ctn. Wt. 25.7 lbs.

# Structo fires up for the 70's...

**Model 4136 24" Folding Grill** (Black). 23" x 17" rectangular shelf of certified kiln-dried redwood. Patterned aluminum towel bar. 5 1/2" wheels with whitewalls. Four folding polished aluminum legs. 2 plated utility hooks. Wt. 22.1 lbs.

(Tangerine Red). Tripod-type legs of plated steel. Third leg detaches and all legs fold under bowl for compact storage. Two plated steel handles. Wt. 9.6 lbs.

## with Brazier Grills that spark sales through the convenience of easy storage

Typical of Structo's high-quality construction, these folding grills are basic to a complete line. Special features that fire up sales include:

- Compact, lightweight design
- Broad choice of prices and features
- Heavy 22-gauge steel beaded bowls
- Rustproof, chrome-plated grids with handles
- New positive grid adjustments have 4 heights and cool, hardwood handles

### Exclusive Fold-N-Lok® feature

permits rust-free aluminum legs to fold and snap-lock completely flat. In this position they form a handle for hanging grill or easy portability. Legs also snap-lock open to assure sturdy platform.

# Structo fires up for the 70's...

## Model 5136 24" Hooded Grill

(Tangerine Red). New, improved spit brackets on galvanized, tapered clip-on hood with painted steel top. U.L.-listed motor, 4 spit levels. Removable tripod-type legs of plated steel. 2 plated steel handles. Wt. 21.0 lbs. ▲

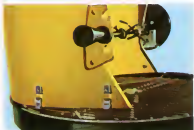

## with Hooded Grills that feature snap-on hoods and U.L.-listed motors

Hooded grills are a hot item, thanks to the rising popularity of rotisserie cooking. Structo hooded grills are even hotter because of these sales-making features:

- Complete selection of prices and models
- Heavy, 22-gauge steel beaded bowls
- Snap-on, reinforced hoods
- New positive grid adjustments have 4 heights and cool, hardwood handles
- One-year guarantee on all motors

Swing-Out® Motor is a patented Structo exclusive. Hinged mount swings U.L.-listed motor away from hood to end handling food over hot coals. Motor has three-wire cord for extra safety.

Unique Snap-On Hood is easily removed for storage, transporting or use as open grill.

# Structo fires up for the 70's...

## Model 6254 24"

### Hooded Grill with Warming Oven

(Black and Antique Gold). Sculptured clip-on hood has large warming oven with swing-up door, glass windows and aluminum handle. 3 spit positions. Deluxe temperature indicator.
